

### What topics are covered?

- HIV Medical Management
- HIV Primary Care
- Antiretroviral Therapy Management
- Prevention of Opportunistic Infections
- Special Issues for Women
- Pharmacology in HIV Therapy
- Biomedical prevention
- Psychosocial Aspects of HIV
- Legal aspects of HIV Care

### What is included?

Participation in this exciting three-day program consists of two didactic days and one clinical day. On the first two days, expert preceptors discuss cutting-edge HIV topics from diagnosis to ART and effectively using resistance testing. On day three, you will observe clinicians providing HIV care.

Each participant's clinical experiences will vary in order to meet their goals and objectives. If necessary, you may attend additional goal-oriented clinical experiences at other state-of-the-art HIV clinical sites. This additional time may be arranged through the MidAtlantic AIDS Education and Training Center.

**Health Federation of Philadelphia**

Your clinical preceptors are respected faculty from the Division of Infectious Diseases and HIV Medicine, Drexel University College of Medicine, and expert clinicians at the Partnership Comprehensive Care Practice, which cares for more than 1,800 patients with HIV yearly. Location in Philadelphia will be listed in your confirmation letter if you are accepted for the program.

**To register:** go to <https://www.maaetc.org/> select training/select Philadelphia/select the date of the training.

**Sponsored by** the MidAtlantic AIDS Education and Training Center in the Health Federation of Philadelphia and the Division of Infectious Diseases and HIV Medicine Drexel University

**ACKNOWLEDGMENT:** Supported by a grant from the Health Resources and Services Administration (HRSA), Bureau of HIV/AIDS, Office of Program Support, Grant No. U10HA29295

**HIV MEDICAL MANAGEMENT**

Clinical and  
Didactic  
Training  
Experience  
for  
HIV Care

## Target Audience:

Clinicians currently providing HIV care, or who plan to provide care in the future, are invited to apply. All members of the HIV care team are welcome including physicians, pharmacists, advanced practice nurses, nurses, physician assistants, dentists, and oral health professionals.

## What are the program learning objectives?

The goal of the program is to increase the HIV-related knowledge of clinicians currently providing HIV care. At the end of the program, participants will be able to:

- Describe the medical management of HIV
- Discuss what medications to initiate and the role of resistance testing
- Identify legal parameters that need to be met when providing HIV testing or care
- Recognize treatment options for HCV in the patient with HIV
- Describe HIV testing technology and HIV testing and special issues in treating adolescents
- Discuss the role of nPEP/PrEP in HIV care
- Identify COVID-19 and Non-HIV comorbidities and their ramifications for treatment
- Differentiate care issues unique to women
- Illustrate nutritional challenges for patients with HIV
- Examine how the presence of HIV infection affects the transmission and treatment of an STD
- Screen for depression and substance use disorders
- Explain the role of medically assisted treatments for patients with substance use disorder
- Explain strategies to address nicotine addiction and assist smokers in quitting

**Continuing Education Credits** CME program code 21251

**ACCREDITATION STATEMENT:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council of Continuing Medical Education (ACCME) through the joint providership of Drexel University College of Medicine and the Health Federation of Philadelphia. The Drexel University College of Medicine is accredited by the AACME to provide continuing medical education for physicians **AMA Credit**

**Designation Statement:** The Drexel University College of Medicine designates this live activity for a maximum of 23.75 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. **AOA:** This program is eligible for 23.75 credits in Category 2A of the American Osteopathic Association.

**NURSING STATEMENT:** The Association of Nurses in AIDS Care providing 23.75 CNE contact hours of continuing nursing professional development for the successful completion of this event. ANAC is accredited as a provider of continuing nursing professional development by the American Nurses Credentialing Center's Commission on Accreditation

**Joint Providership:** This activity was jointly planned and implemented by the Association of Nurses in AIDS Care and the Health Federation of Philadelphia. **Disclosure to Receive**  
**Contact Hours:** Attendees may earn a maximum of 23.75 CNE contact hours for completion of the activity. To receive a certificate of completion attendees must;

- Be registered as a participant
- Be present during the online participant check-in and for the duration of the activity
- Complete a post training evaluation

### Deadline to claim contact hours (2months after the program)

A link to an online survey will be emailed to you after the training. Complete and submit the online survey. The last step of the survey will allow you to download and print a certificate. **Conflict of Interest:** A conflict of interest occurs when an individual has the opportunity to affect educational content about healthcare products or services of a commercial interest with which he or she has a financial, professional or personal relationship. Presenter with education conflicts of interest will announced prior to their education session. Planning committee members Julie Schexnayder, DNP, MPH, ACNP-BC, Kristin Walker, RN, MSN, CNM and Lane Taylor, MPH have no relationships to disclose.

**FACULTY DISCLOSURE STATEMENT** It is the policy of Drexel University College to ensure balance, objectivity, and scientific rigor in all its sponsored educational programs. Speakers at continuing education activities are required to disclose to the audience any relevant commercial issue (which is any entity producing, selling, marketing, reselling, or distributing healthcare good or services consumed by, or used on, patients). Any conflicts of interest must be resolved prior to the presentation and announced to the audience. The intent of this disclosure is to allow participants to form their own judgements about the educational content of this activity and determine whether a speaker's commercial interest influenced the presentation. In addition, speakers are required to disclose any off-label, experimental or investigational use of drugs or devices discussed in their presentation.

**FACULTY DISCLOSURES:** Lenore Asbel, MD, Yolanda French Lollis, Esq., Shara Epstein, MD, Margaret Cauterucci, RD, Elliot Goodenough, MD, MPH, Clifford Brown, and Beth Rosenwasser, PhD have no commercial relationships to disclose. David Koren, PharmD, BCPS, AAHIVP is on the advisory committee for Gilead Sciences, Abbvie, Jansen and Thera Technologies. Roberta Laguerre MD is on the speaker bureau for Gilead Sciences. Joanne Gilmore, MSN, CRNP is on HCV speaker's Bureau for Gilead Sciences, Merck and Abbvie. All of the above faculty will support their presentations and clinical recommendations with the "best available evidence" from the medical literature. **PLANNING COMMITTEE DISCLOSURES:** Jennifer Kolker, MPH, Sara Schultz, MD, Zsofia Szep MD, and Susan Thompson BS have no relationships to disclose. **Requirements to receive credits: Continuing education credits will be awarded to those who registered for the program, attend the entire program, complete the discipline-specific requirements and program evaluation.**
