

Med School Membership Match— A Tournament of Student Champions!

April 1–April 30

PAMED is hosting a medical school recruitment challenge during the month of April and will celebrate the medical school with the highest increase in membership during the challenge.

Challenge Process:

Pennsylvania medical students, who are not currently PAMED members, need to

- create a PAMED account at www.pamedsoc.org/join
- become a medical student member by joining

To qualify, **all students must include their medical school in the “company recipient”** line. While all new members are appreciated, only students who include their medical school will be included in final count.

School Celebration:

The new medical student members from the school with the highest increase at the end of the challenge will receive **“dinner on us”** and an opportunity to connect with PAMED and CMS leaders.

The **“dinner on us”** announcement will include a registration link with a coupon for the student to pick up their dinner and network with leaders. *(limited to the first 150 students)*

Pennsylvania Medical Schools

Drexel	UPenn	LECOM
Jefferson	Geisinger	PITT
Temple	Penn State	USF-LVHN
PCOM		

WHO WILL WIN

PAMED MSS Staff—Janet Thompson_
